

# The Austrian Recycling Rainbow

Enjoy the beauty – help keep it clean.

## RED = PAPER

Newspapers, cereal boxes cartons. If it's made of paper and was used for packaging, it goes in the red bin.

Please do not put tissues or dirty napkins in it!

## YELLOW = PLASTIC & METAL PACKAGING

Cans, yoghurt pots and foil trays. All types of plastic or metal packaging go in yellow.

No toys, rubber gloves or electronics!

## WHITE = CLEAR GLASS

Put clear glass in the white bin – only packaging. Easy!

No ceramics, drinking glasses or window glass!

And don't forget to remove the lid.

## GREEN = COLOURED GLASS

Coloured glass should be placed in the green bin – only packaging.

No ceramics, drinking glasses or window glass!

And don't forget to remove the lid.

## BROWN = ORGANIC WASTE

Plant-based kitchen waste such as fruit and vegetable scraps, coffee grounds, as well as raw and unseasoned food leftovers.

No cooked food, no meat or fish scraps.

## BLACK = RESIDUAL WASTE

For example, hygiene products like tissues, diapers, or old toothbrushes, as well as food waste.

No batteries – please collect those separately.
